Preschool & Mom's Morning Out

Our Mission...

The first United Methodist Church Preschool and Mom's Morning Out are ministries of First United Methodist Church, Colorado Springs, Colorado. We are dedicated to surrounding children with a loving, safe environment where they will grow in their love of self, others and learning.

Whole Child Wellness Model

We believe each child is a child of God—a special, unique, and precious person, valued for their own intrinsic worth.

Model Elements...

Spiritual Growth—Our atmosphere surrounds children with experiences that reflect God’s delight and love for them through modeled relationships, chapel time and curriculum. While we are a Christian congregation, we honor and value children of all faith traditions.

Cognitive Growth—Our rich, stimulating, well-planned and developmentally appropriate curriculum and environment encourages children to curiosity, imagination and creativity as they learn through active play and firsthand experiences.

Emotional Growth—Our atmosphere gives children the tools and respect to build a positive self-image and feelings of self-worth and self-confidence.

Social Growth—Our environment provides opportunities to children for working, playing and communicating with other children and adults as they develop a growing awareness of the need, right, and feelings of their own individuality and independence as well as those of others.

Physical Growth—Our structure includes equipment and activities that promote each child’s physical development and growth and involves both large and fine muscle movements and skills.

Parent Involvement—We highly value parent involvement and participation at school and home, and work together in planning and meeting the needs of children.

Children’s Ministries Scripture

You shall love the Lord your God with all your heart, with all your soul, with all your strength, and with all your mind, and your neighbor as yourself.

~Luke 10:27

Mother’s Morning Out

An experience rich atmosphere provides a spiritual and social-emotional foundation for your child. Each class has a high child-teacher ratio and two loving, qualified teachers. Classes available for children 18 months to 2 1/2 years and 2 1/2 to 3 years.

Preschool

This program successfully partners with parents to nurture and facilitate a relationship with each individual child that promotes trust and demonstrates God’s love. Based on relational spirituality, children experience prayer, stillness and wonder in their day-to-day activities as well as during specially designated sacred time.

Young 5s

The Young 5s class is specifically designed for older 4 year olds and young 5 year olds. It provides a well-rounded academic curriculum and daily sacred time. Children attend Monday - Thursday mornings. By attending class four consecutive days, children benefit from a consistent routine that makes the transition to Kindergarten easier.
