

Twin Lakes, Ghost Tour & Fall Foliage

Our September trip is all of the above wrapped into one package. Our date is Sept. 25, a one day Saturday trip. We are still firming up the plans, but it looks like a drive to Twin Lakes, lunch at the town and a boat ride across the lake to deserted Interlaken Resort. On our way home we stop at a ghost town or two near Buena Vista.

The registration and payment deadline for this trip is Sept. 19. Watch the *Encounter* and this site for updates on times and price.
