FOR CM USE ONLY: Background Check Complete Yes _____ No _____ Childcare Registration Submitted: Y N

VBS Volunteer Information

Thank you for volunteering to help with VBS! Here is some information to help you decide which position might be the right fit for you.

Shepherds: (Need to be available Mon - Thurs) Volunteers in this area will be assigned a group of 7-8 children. You will meet your group members at a designated area in the Sanctuary for the opening session, guide them through a rotation of stations (Mission, Movement, Spirituality and Snack). You will return to the Sanctuary for the closing session and remain with your group until all are picked up by a parent or guardian. Your day will be fun and diverse and you will get to know a great group of kids!

Station Assistants: Children will rotate through different stations during their VBS day. You are welcome to help on specific days or every day. We need assistants for Spirituality, Movement and Mission.

Field Trip Chaperones: Help chaperone 3rd – 6th grade students on Friday, July 1.

Nursery Assistant (under 2s): In order for many to volunteer, they will need childcare. If you love little ones, please consider helping in this area. We would like childcare volunteers to be available on all four days of VBS, but if you can only do a day or two, please let us know.

Preschool Leader/Assistant (2s and 3s): In order to provide VBS volunteers with childcare for their children who are 2/3 years old, we will need volunteers to help with these little ones. Curriculum and training will be provided. Helping these little ones discover how much God loves them is a wonderful thing!

Preschool Shepherd/Assistant (4s and 5s): Our 4s and 5s will have their own VBS program this year. Shepherds for this age group will meet their assigned group of children in the Sanctuary for the opening and closing sessions and then guide their children to the different Mission, Spirituality and Movement activities. Training will be provided.

Preschool Activity Leader/Assistant (4s and 5s): Our 4s and 5s will have their own time to explore Mission, Spirituality and Movement. Activity leaders in each of the three areas will be teaching a daily activity to several different groups of children each day. Curriculum and training will be provided.

Volunteer Prior to VBS: It takes a lot of preparation to get VBS off the ground. We would love your help over the next few months...with prepping material, arranging for donations, helping with decorations, registration tables on Sundays, etc.

Volunteer After VBS: Love clean-up?! We'll need help following VBS to get our church ready for Sunday worship! Love hospitality? Help with set-up and/or clean-up for the volunteer appreciation luncheon to be held right after VBS on June 30.
