

He has made everything beautiful in its time. He has also set eternity in the human heart; yet no one can fathom what God has done from beginning to end.

~Ecclesiastes 3:11

John Wesley Ranch (JWR or The Ranch) is a ministry of First United Methodist Church, nestled in the shadow of Pikes Peak and surrounded by Mueller State Park. It is approximately 120 acres of woods, meadows and ponds. It is God's creation of pure Rocky Mountain beauty.

### THINGS TO DO

The Ranch's acreage is surrounded by 5,000 acres of Mueller State Park; between both locations there are a variety of hiking trails to check out. There are two lakes on our property stocked for catch and release fishing. In the winter, there are three long and extremely fun sledding slopes available to our guests, complete with inner tubes for hours of snow enjoyment!

For those who wish to relax, the fresh mountain air and peacefulness of The Ranch is a wonderful place for rest and relaxation.

There is something for everyone!

- Picnicking
- Camping
- Family Reunion
- Hiking
